## Status

Authorized and funded.

## Description

The 88th Regional Readiness Command (RRC) headquarters is being moved from Fort Snelling, MN to Fort McCoy, WI. Their area of responsibility is changing from six states to nineteen states. The Facility Management Officer requested assistance from the Rock Island District to design new projects and administer existing construction contracts in FY 2009. Engineering and Design and S&A costs for projects in the six state region totaled approximately \$2,000,000. Contracting and construction of these projects involves partnering with the Construction Divisions of the Chicago, Omaha, Detroit, and Louisville Districts, Corps of Engineers.

## Summarized Financial Data

FY2009 Design and S & A	\$2,000,000
-------------------------	-------------

## Major Work Item (This Fiscal Year)

**FY 2009:** Approximately 30 maintenance and repair projects throughout the geographic area of the 88th RRC. Construction contract placement of approximately \$7M throughout the geographic area of the 88th RRC.
