

The Sugar Bottom Mountain Bike Trails wind through wooded valleys and prairies with beautiful views overlooking Coralville Lake.

For trail conditions call the Corps of Engineers office or call the Iowa Coalition of Off Road Riders (ICORR) at (319) 626-1160. The trail is closed for 24 hours after a significant rain-fall to minimize any erosion that could take place.

**Location:**

The entrance to the bike trail is located at Sugar Bottom Day Use Area.

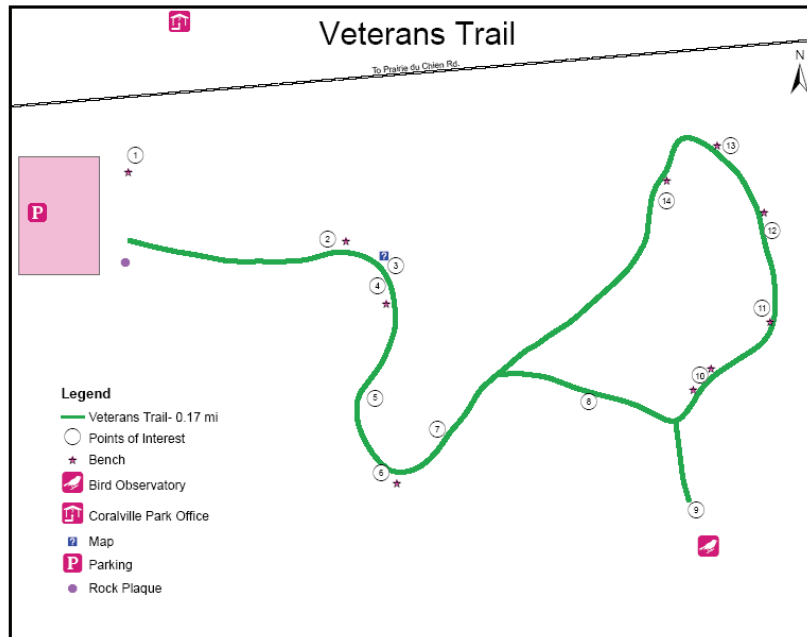

The Veterans Trail is a barrier free trail constructed to accommodate wheelchair users, people with walking disabilities as well as able-bodied users. The asphalt and boardwalk trail meanders through mature oak, hickory, and maple trees.

Each year on Memorial Day, a portion of the trail is dedicated to local military veterans. Over 140 veterans are honored here.

For more details on the Veterans Trail and a detailed map please visit the brochure box located along Veterans Trail.

**Location:**

The trail is located on the east side of the Coralville Dam, just east of the East Overlook Picnic Area.

**Trails at Coralville Lake**

There are approximately 20 miles of trails located around Coralville Lake for everyone's enjoyment. The trails are maintained and patrolled by the U.S. Army Corps of Engineers. Any dangerous trail conditions or observation of trail misuse can be reported in person to a Park Ranger or by calling the Coralville Lake Office. Feel free to visit our web page for other recreational opportunities at Coralville Lake: [www.coralvillelake.org](http://www.coralvillelake.org) Facebook Page: [www.facebook.com/coralvillelake](http://www.facebook.com/coralvillelake)

The Squire Point and Woodpecker trail systems form approximately a five mile network of trail. This trail system winds through mixed hardwoods and various types of wildflowers, which afford spectacular views of Coralville Lake from its limestone outcrops.

These trails are the most popular at Coralville Lake. Year round hikers, joggers, and skiers use this trail extensively as a form of recreation and exercise.

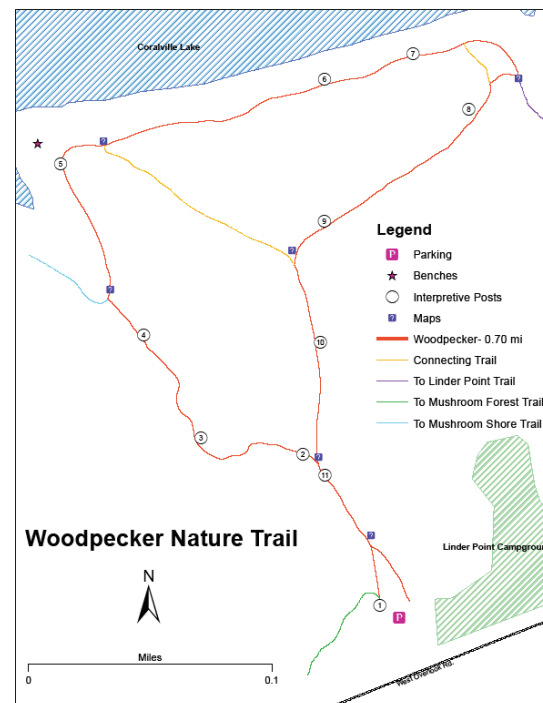

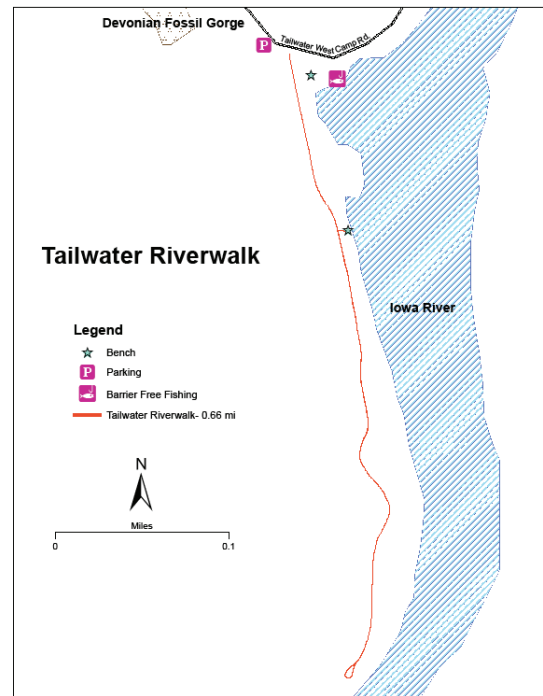

Whether you have an hour or a weekend, these trails can be enjoyed any time of the year. The area is constantly changing with the seasons, making each visit special.

**Location:**

Accessible from the Linder Point Recreation Area on West Overlook Rd., or north of the dam at Squire Point off of Du-buque Street.

The Tailwater Riverwalk is one of two trails at Coralville Lake that is barrier free and accessible to all. This trail follows the Iowa River south of the Coralville Lake Dam.

**Location:**  
Accessible from road to Tailwater West Camp-ground.

The Woodpecker Nature Trail is described in a self-guided brochure available at the beginning of the trail.

Features interpreted along the trail include native plants, limestone rock formations, and a sink-hole.

**Location:**

Accessible from Linder Point Recreation Area on West Overlook Rd.

The Cedar Valley trail system meanders through hardwoods that border Coralville Lake. The trail will lead you through timber, into ravines along the lake and across several bridges. Wildlife is abundant and wild flowers are a popular attraction because of the diversity of terrain. Indian Cave, a home of Native Americans from as long ago as 10,000 years, is located along the Cedar Valley trail. This trail is a scenic delight throughout the year.

**Location:**

There are three access points along the road to the Sugar Bottom Recreation Area.
