

# National Public Lands Day

A National Environmental Education Foundation Program

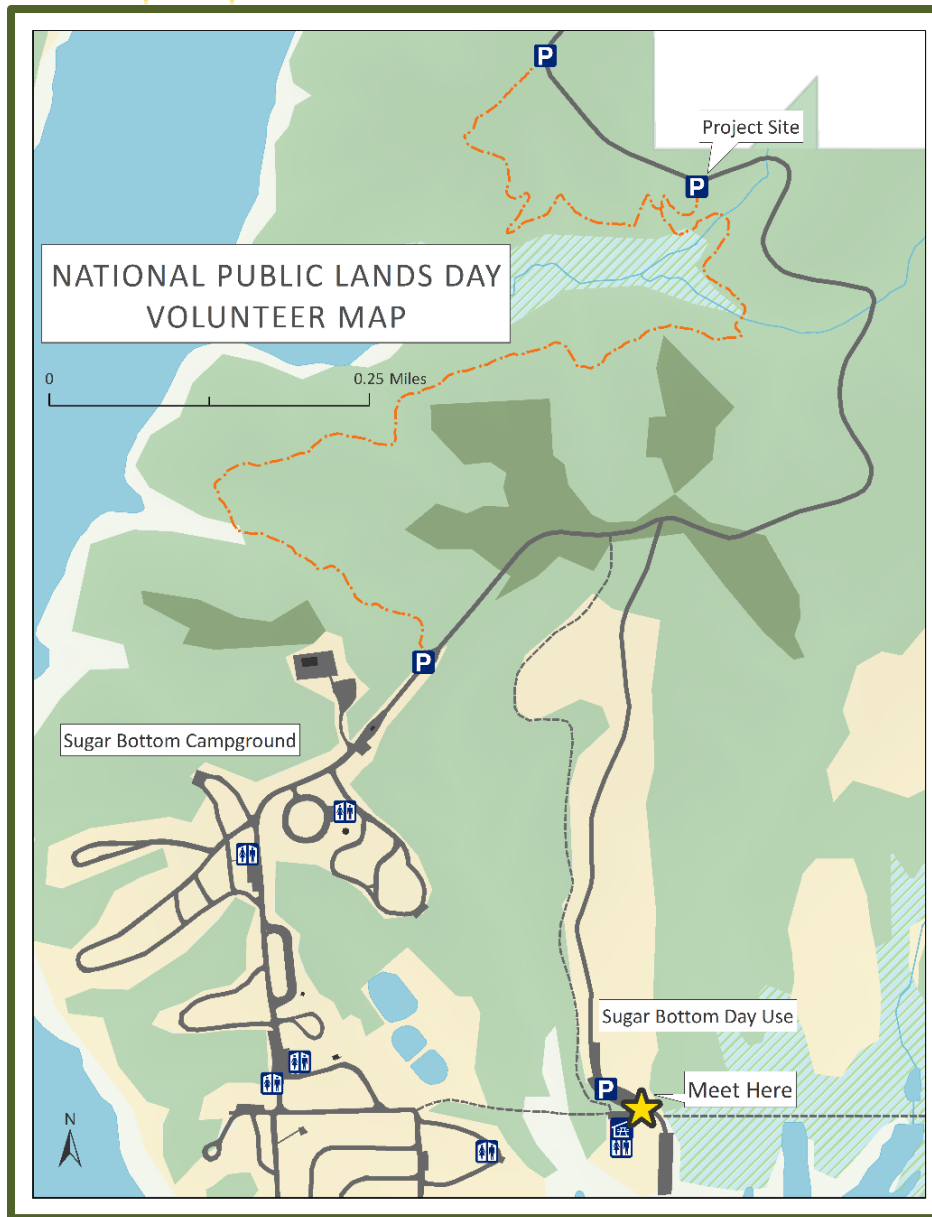

## Celebrate Iowa's Public Lands at Coralville Lake!

Love your public lands? Then come help them out!

**September 30, 2017**

**9:30 a.m. – 1:30 p.m.**

See map for meeting place and work locations

This year we will focus on trail cleanup and maintenance at Cedar Valley Trail. Help remove invasive species along the trail, build bridges over creek and drainage areas, and pick up litter so our native Iowa woodlands can flourish.

Join us for lunch after the work has been done. We'll fire up the grill for any volunteers who sign up in advance! Volunteers get free camping Saturday night in Sugar Bottom Campground. Please keep in mind that running water will only be available on the Sept. 30 due to winter campground closures to the public.

In addition, we will have a ROCK PAINTING PARTY with a public service theme for our younger volunteers at Sugar Bottom Day Use Shelter.
