**Out-of-bounds:** At Turkey Creek, a disc is considered out-of-bounds in these instances: (1) when a disc comes to rest beyond any fence which borders the park on holes #4 & #6, or (2) if a disc comes to rest on or beyond any road/parking lot.

**Pin Positions:** Please refer to tee signs for current pin placement. In all instances, 'a' pin placements are the shortest pins, 'b' pins the next shortest, and so on.

**Tees:** Holes #7 & #16 each have two tee pads, a short pad, and a long pad. All other holes have one tee.

**Course Length:** At it's shortest layout, Turkey Creek measures 4201 feet, and can play as long as 5966 feet.

**Donation Box:** The cost of providing these scorecards has been made possible only through the generous donations of disc golfers. The majority of course maintenance and improvements is performed by volunteers, and funding from the US Army Corps of Engineers is limited. Please consider making a contribution to the donation boxes at Turkey Creek and Sugar Bottom Disc Golf Courses.
