Date Begin: May 01, 2018

Date End: October 22, 2018

Mississippi River Project/Rock Island District/Thomson, IL. Is on the Iowa & Illinois border

Bulger's Hollow Campground (Clinton, Iowa) Volunteer Host:

Dates: May 01, 2018 through October 22, 2018

The campground volunteer host supports the overall operation of the campground with such duties as assisting campers with registration, answering questions, distributing information, light maintenance, upkeep and cleaning. Volunteer will be given training for these duties if needed. Volunteer may be required to complete government provided safety training for defensive driving. Volunteers will average at least 21 hours of service per week. The volunteer must provide their own reliable, licensed vehicle, fuel, and insurance. Volunteers must maintain a valid driver's license. A background check will be conducted. Information on Bulger's Hollow can be found at <http://www.missriver.org>. For more information on this position contact the Rangers at 815-259-3628 or email at mvrodmn13@usace.army.mil

Recreation Areas of responsibility include: Bulger's Hollow Campground

Days Off: 2 days off per week during week days but flexible on which days.

Campsite: Water, electric, and dump station in Bulger's Hollow Campground.

The volunteer host is provided a campsite with water and electricity at no cost to the host, as well as, all supplies and materials necessary to perform the duties as campground host.
