

Red Rock Master Plan Focus Area - A Natural Place to Play

Goal:

- Develop Low Consumptive Active Resource Based Recreation Opportunities

Horse Trails

Utilize old trail south side of lake
along Whitebreast Creek

Benefits

1. Adds 15.4 miles to current equestrian trail system at Elk Rock State Park (13 miles).
2. Ties in nicely to current equestrian camping at Elk Rock State Park.
3. Area was designated as a trail in the original master plan.
