

“Trail Trekkers” Photo Scavenger Hunt

Sponsored by the Red Rock Lake Association

Here’s How It Works:

Here’s how it works: Simply spend time exploring the fantastic trails surrounding Lake Red Rock—with your camera in hand! As you explore, search for items on the ‘scavenger hunt list’ for the trail you are trekking and take a quick photo. Once your adventure is finished, stop by the Red Rock Visitor Center to share your pics with a staff member and track your effort on your Red Rock Trail Trekker Passport. Lake Area and trail maps are available online at www.lakeredrock.org or at the Red Rock Visitor Center.

What’s in it for You?

After you have completed three of the six scavenger hunts, you will earn a 3-in-1 whistle compass thermometer to take out on your next journey, and if you complete all six Trail Trekker Scavenger Hunts, your name will be entered into a drawing for the grand prize: an assortment of nature field guides! (Program runs Memorial Weekend to Labor Day weekend. Drawing will take place after Labor Day weekend. Winner will be notified.)
