

## ACORN VALLEY & BOB SHETLER CAMPGROUNDS

With these two different campgrounds to choose from Saylorville Lake offers a wide variety of outdoor recreation opportunities. These campgrounds host a variety of scenery ranging from upland hardwoods in Acorn Valley to riverside views and bottomland timber in Bob Shetler Campground.

All campgrounds are open to both RV and tent camping; however Acorn Valley hosts some tent-only campsites and also has a youth group site that is available for use by organized youth groups such as the scouts.

Acorn Valley and Bob Shetler are underutilized campgrounds in comparison to Saylorville Lake's additional campgrounds. These proposed improvements will bring a varied and higher level of quality service for the public.

### ACORN VALLEY CAMPGROUND IMPROVEMENTS

- Addition of cabins
- Additional RV campsites
- Removal of some tent sites
- Addition of group tent site (not limited to youth groups)
- Wi-Fi availability
- Concrete campsites
- Update electrical to 50 amp service
- Amphitheater
- Municipal sewer connection

### BOB SHETLER CAMPGROUND IMPROVEMENTS

- Convert Bob Shetler-West Campground to volunteer campsites
- Concrete campsites
- Update electrical to 50 amp service
- Wi-Fi availability
- New playground
- Municipal sewer connection
