

**LA GRANGE POOL - CHANNEL MAINTENANCE POOL PLANNING  
NOVEMBER 9, 2005, PUBLIC MEETING**

---

(1) How do you feel about a channel maintenance pool plan for the LaGrange Pool?

---

---

---

---

(2) What, if any, additional information do you need about a channel maintenance pool plan for the LaGrange Pool?

---

---

---

---

(3) Can you identify sites within the LaGrange Pool where dredged material placement could be beneficially used?

---

---

---

---

(4) Can you identify areas that could be improved with regulating structures (like wing dams)?

---

---

---

---

(5) Are there any specific issues you feel need to be considered when developing a channel maintenance pool plan?

---

---

---

---

(6) Do you have other questions or comments about channel maintenance pool planning?

---

---

---

---

OVER

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
Overall, I was very satisfied with this public meeting . . . .	<input type="checkbox"/>				
This public meeting provided an opportunity to gain information and a better understanding of the project . . .	<input type="checkbox"/>				
This public meeting provided an opportunity for everyone to offer comments about the project . . . . .	<input type="checkbox"/>				
I had a chance to talk to a project team member . . . . .	<input type="checkbox"/>				
Overall, attending this public meeting was worth my time	<input type="checkbox"/>				

How can we best provide you with any requested or additional information regarding this study?

Post it on the Rock Island District Website at  
<http://www.mvr.usace.army.mil/publicaffairsoffice/dmmp/lagrange.asp> . . . . .  Yes  No

Mail it to the following name, address, city, state, and zip code:  
 \_\_\_\_\_  
 \_\_\_\_\_

Call me at the following telephone number: \_\_\_\_\_

E-mail me at the following address: \_\_\_\_\_

Add my name and address to the distribution list for more information regarding this project in the future. . . . .  Yes  No

In my opinion, the one most important thing that Rock Island District, Corps of Engineers can do during the next year to improve its service is:  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

Please leave this comment sheet at the registration table before leaving the open house or mail it by November 23, 2005, to the following address:

District Engineer  
 US Army Engineer District, Rock Island  
 ATTN: CEMVR-PM-A (Jackson)  
 Clock Tower Building - PO Box 2004  
 Rock Island, IL 61204-2004

**THANK YOU FOR ATTENDING THIS PUBLIC MEETING  
 AND FOR PROVIDING YOUR COMMENTS.**
