Authorized and funded.

Description

The 88th Regional Readiness Command (RRC) headquarters is located at Fort Snelling, MN. The Facility Management Officer requested assistance from the Rock Island District to design new projects and administer existing construction contracts in FY 2007. Engineering and Design and S&A costs for projects in the six state region totaled approximately \$1,200,000. Contracting and construction of these projects involves partnering with the Construction Divisions of the Chicago, Omaha, and Louisville Districts, Corps of Engineers.

Summarized Financial Data

FY2007 Design and S & A	\$1,200,000
-------------------------	-------------
