

Project Factsheet for: Coal Creek, Monroe County, Iowa

Date Last Updated: 02/13/2009 07:31

Project Location Information

Location: Near the City of Albia, in Monroe County, Iowa
River Basin(s): Des Moines
State(s): IA
Congressional District(s): IA-2

Status

Feasibility phase is complete, recieved funding for 2008 construction.

Description

Coal Creek is causing severe erosion a of stream bank that borders a county road and a railroad bridge. If left untreated the roadway and railroad bridge abutments may be lost. The opportunity exists to stabilize the bankline and to protect the bridge from further erosion.
