Professional Development Hours

- The curriculum for this workshop was developed in accordance with the requirements for professional engineering license renewal set forth by the Iowa Engineering and Land Surveying Examining Board and the Illinois Professional Engineering Practice Act. Every registered engineer has a personal responsibility to assess the applicability of each element of the program attended to their particular professional development need and, if appropriate, maintain a record of qualifying PDH credits for license renewal documents.
- Certificates are available for those requiring them (yellow sheets).

Figge Art Museum

- The Figge Art Museum actively serves the public by collecting, conserving, and exhibiting art, and by promoting appreciation and creation of visual art through education. As a vital, responsive institution, the museum brings art and people together, expands the knowledge and love of art, and better the life of the community through the power of art.
- Brand New
- Restaurant
- (Gallery) Tuesday – Sunday 11:00 am to 5:00 pm; Thursdays until 9:00 pm

River Music Sky Bridge

- Free
- Lights up at night
- Spans nearly 600 feet and sits 50 feet in the air. There are two entrances to the sky bridge. One is located in a courtyard on 2nd St. in Davenport, next to the Redstone building, which houses the River Music Experience, and Centro restaurant, where you can enjoy a meal outdoors in the courtyard. The other entrance is located across River Drive, near the Rhythm City River Boat and LeClaire park. Cost a lot of money.
- Just opened up this summer
- Great river views and view of L/D 15 and the Clock Tower (Rock Island District)
